P.C.

1. Heard the learned counsel appearing for applicants and learned APP for State.

2. This is an application for restoration of the Criminal Application which was dismissed for want of prosecution by order dated 5/9/2003. By the said order, petitioner was directed to remove office objections within two weeks. It was further stated that if the office objections are not removed within two weeks, the matter would stand dismissed without further reference to the Court. It is submitted by the learned counsel for the

petitioner that they came to know about the said order subsequently and therefore, office objections could not be removed within the time. In view of this, the order dated 5/9/2003 is set aside. Criminal Application is restored to the file.
